

GENTEX CORPORATION

December 1, 2022

Dear Customer:

Effective January 1, 2023, as reflected in the table on the following page, we are updating pricing on our notification products due to component cost increases.

Gentex has always worked hard to maintain pricing consistency across our various product lines, and appreciates the continued support from our valued customers.

We will continue to honor any previously quoted pricing on the models above if the order is placed within the next 30 days, as long as verification of the quote is provided.

If you would like to request a new 2023 price book updated with all item changes, please submit a request via e-mail to fporders@gentex.com and we will send one to your attention.

Thank you for your continued support.

Best regards,

Dave Christian
Sales Director
